

XPANDER CROSS

Confidence for Every Adventure

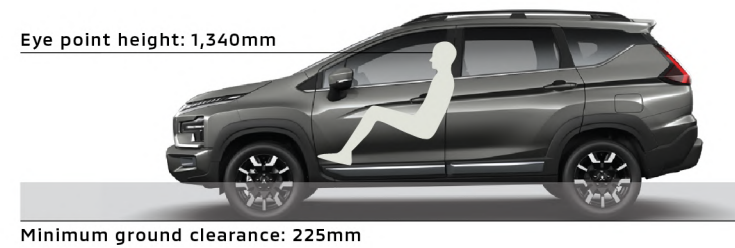

With the all-new XPANDER CROSS, your confidence in adventure grows even stronger. Its more powerful, aggressive SUV styling and outstanding driving performance let you take on even the toughest roads. Now, set off into a world you've yet to discover.

Aggressive Capability

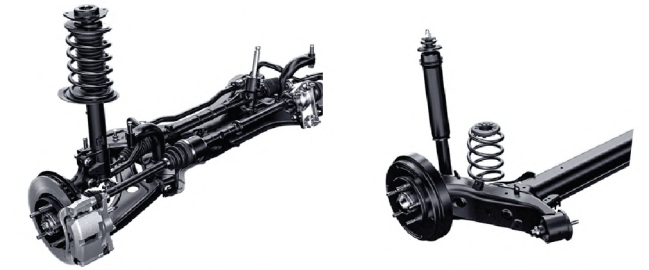

High ground clearance and high driving view

Top-level ground clearance and a high driving position allow confident and comfortable driving on bumpy or uneven roads and a clear view of the road ahead.

A stable, comfortable ride

Enjoy your drive in comfort. A reinforced suspension system with high-performance shock absorbers provides stable handling and exceptional ride comfort.

The XPANDER CROSS delivers aggressive capability in any situation, with stable handling and exceptional ride comfort on any road. It inspires greater driver confidence and opens the door to new adventures.

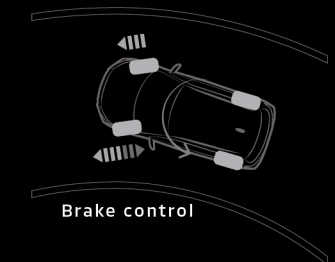

Total Control

The XPANDER CROSS delivers confident performance on any road surface. Its secure and reliable handling deepens your confidence with every adventure.

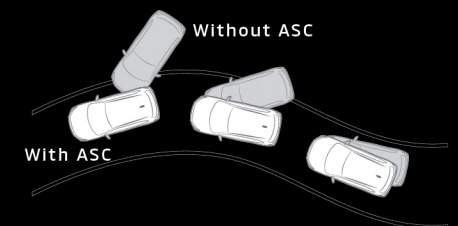

Active Yaw Control [AYC]

AYC improves cornering by adjusting drive and brake force based on driver input and vehicle data—visible in real time on the LCD meter.

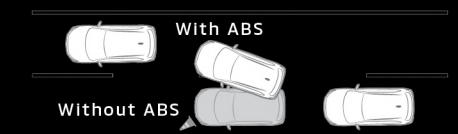

Active Stability Control [ASC]

Stay in control on slippery roads and corners. ASC adjusts engine power and braking to help prevent skidding when traction is lost.

Anti-lock Brake System [ABS]

Brake safely on slippery roads. ABS helps the wheels from locking up when braking.

Active Stability Control [ASC]:

The control capabilities of ASC are supplemental only. Please drive safely and never rely solely on these functions whilst driving. Be sure to use the specified type and size of tyres on all 4 wheels. Do not instal any aftermarket limited-slip differential on your vehicle.

Anti-lock Brake System [ABS]:

ABS can help the driver maintain control whilst braking, but is never a substitute for safe driving. ABS does not always reduce stopping distances, which may be influenced by many factors including road surface conditions and friction between the tyres and road surface.

Please see the owner's manual for additional information.

Premium Presence

Newly refined seats and advanced features.

A thoughtfully designed interior that appeals to your senses and boosts driving confidence – supporting your first step into a new adventure.

Comfortable, convenient, and enjoyable for all

The steering wheel is equipped with intuitive switches, allowing for natural and comfortable operation. The 8-inch colour LCD meter is easy to view and has a customisable screen layout.

4 spoke steering wheel

8 inch colour LCD meter

Spacious cabin and versatile seating arrangements

Flexible seating configurations provide support for any outdoor activity. Load items easily by folding down the second and third-row seats, or fold the second-row armrest to store long items.

5-SEATER

4-SEATER

2-SEATER

FEATURE HIGHLIGHTS

Exterior Exterior

LED headlight (High/Low beam)
Both the high and low beams are LED-powered for improved brightness and illumination.

Roof rail
Black roof rails add utility for outdoor activities and give the vehicle a bold, rugged outline.

17-inch alloy wheel
The redesigned 17-inch alloy wheels feature a grey two-tone colour for a tough and robust look.

Storage

Floor console box / Floor box with tissue box holder
A floor console box in the front seat centre holds up to four bottles, with space for a tissue box under the lid.

Door pocket (Front door)
Storage is available in the front doors for plastic bottles, small items, and other everyday essentials.

Cup holder (2nd row seat centre armrest x 2)
The rear centre armrest includes easy-access cup holders for added convenience.

Mechanism

Responsive 1.5L MIVEC engine
The 16-valve DOHC engine with MIVEC* delivers enough power to carry seven adults up steep roads with ease.
*Mitsubishi Innovative Valve timing Electronic Control system

Comfortable cabin space
To create a surprisingly quiet cabin, key areas are lined with sound-absorbing and vibration-blocking materials.

Utility

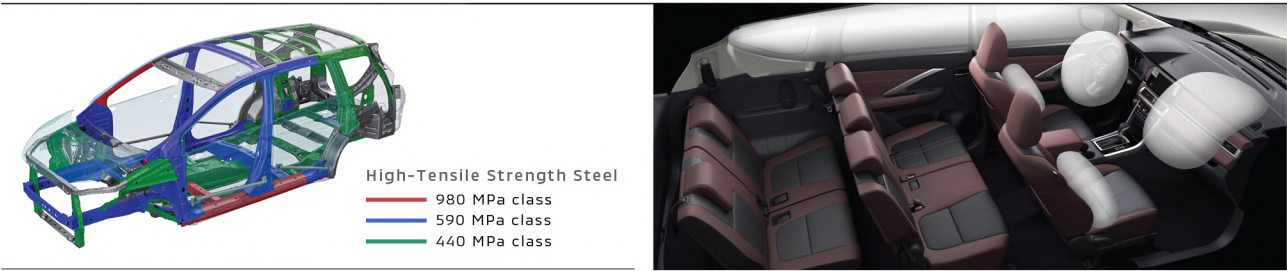

Tilt and telescopic steering wheel
Enjoy a comfortable drive with a steering wheel that adjusts in four directions for your ideal position.

Electric parking brake (Brake auto hold)
Turn it on or off with a simple switch. Brake auto hold keeps the car still when you lift off the pedal.

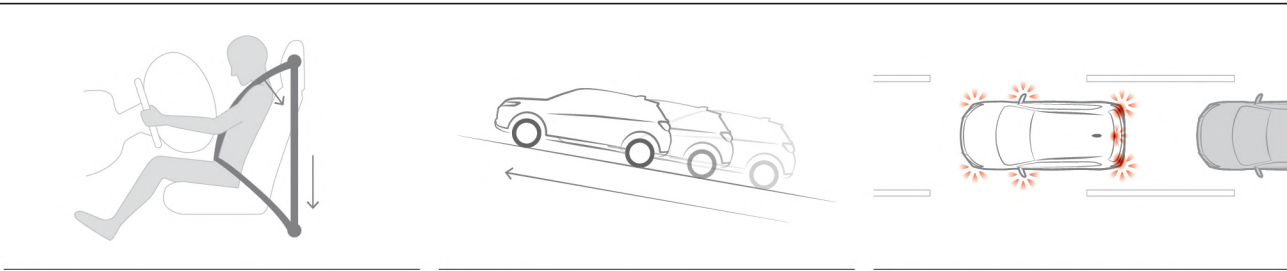

Digital Climate Control Panel
The new digital cooler panel isn't just stylish but intuitive and easy to use.

Safety

RISE body
RISE (Reinforced Impact Safety Evolution) absorbs impact energy and maintains cabin integrity to help keep you safe in a collision.

Driver and passenger SRS airbags
Six SRS airbags—including front driver, passenger, and curtain airbags—absorb impact forces during a collision to enhance occupant protection.

Pretensioners
In a frontal collision, front seatbelt pretensioners tighten to reduce impact and help keep occupants in place.

Hill Start Assist [HSA]
For peace of mind on hills, HSA holds the brakes until you accelerate, helping to prevent rollback in stop-and-go traffic.

Emergency Stop Signal [ESS]
To help prevent rear-end collisions, ESS flashes the hazard lights during sudden

Hill Start Assist [HSA]: HSA is not a substitute for safe driving. Never rely solely on this function whilst driving on steep roads. Your vehicle may move backwards if the brake pedal is not sufficiently depressed, if the vehicle is heavily loaded, or if the road is very steep or slippery. This function is not designed to keep the vehicle stopped in place on uphill slopes for more than 2 seconds. Do not rely on this function to maintain a stopped position as an alternative to depressing the brake pedal. Please see the owner's manual for additional information.

Body colours

Green Bronze Metallic (C31)

Quartz White Pearl (W81)

Blade Silver Metallic (U33)

Graphite Grey Metallic (U28)

Jet Black Mica (X37)

Sunrise Orange Metallic (M13)

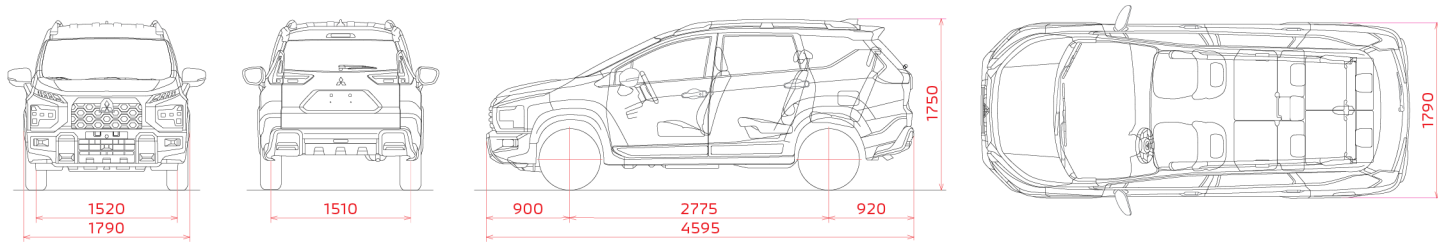

Note: Colours shown may differ slightly from actual colours due to the printing process. Please consult your local MITSUBISHI MOTORS dealer/distributor for actual colours. Some equipment may vary by market. Please consult your local MITSUBISHI MOTORS dealer/distributor for details.
